

# Unit Test

Answer 4 of the following questions. Each question is worth 5 points.

1. Describe the current Oslo Peace Accord, and then **explain** if you feel it will succeed or fail in bringing peace to the region.
2. Briefly explain the purposes of both International Humanitarian Law and Human Rights Law individually, and then explain how they differ from one another.
3. The 1967 Six-Day War had a significant effect on displaced Palestinians, and is considered by many to be the root of much of the conflict that occurs today between Israelis and Palestinians. How were the Palestinians affected, and how did the outcome of that war further the unrest in the region?
4. The terms “law” and “justice” are two distinct concepts. Explain this distinction using specific examples.
5. The My Lai Massacre was a horrible event in US-Vietnamese History. Outline what happened, why, who was involved, and the outcome of justice in this case.

**Bonus** - If you could guarantee 3 basic rights to all of humanity, what would they be, and why?
